

MOORABOOL WIND FARM CONSTRUCTION UPDATE September 2018

Moorabool North Wind Farm

Construction of the Moorabool North wind farm continues. Zenviron, are continuing works on the onsite construction compound, access tracks and foundations. Construction activity remains focused on the Ballan Meredith Road however works have also commenced on the Ballan Egerton Road.

The increase in construction traffic due to the movement of earthwork machinery and gravel to site will continue. Please take care and observe warning and speed restriction signs. The Moorabool Wind Farm team aim to keep local disruption to a minimum and apologise if construction activities cause you any inconvenience.

Moorabool South Wind Farm

Goldwind are pleased to announce that The Minister for Planning has endorsed the Development Plans for all stages and all 57 turbines of **Moorabool South wind farm** with a blade tip height of 171m.

Construction of Moorabool South wind farm has now begun.

Zenviron have begun the initial stage of works to establish the construction compound and access tracks located at the corner of Ballark Mt Wallace Road and Ballan Meredith Road.

Construction activity will be focused in this area and will expand over the coming months.

Access upgrade works opposite 4152 Geelong Ballan Road are now complete and Moorabool wind farm team would like to thank you for your patience during these works.
