### Construction Hours

Normal construction hours are limited to 7am to 6pm on weekdays, 7am to 4pm on weekends. However, there may be times when work may need to be conducted outside of these normal working hours to accommodate activities that cannot be stopped and for safety reasons (i.e. concrete pours, and oversize component deliveries and erection). All works are in accordance with the Environmental Guidelines for Major Construction Sites (480), EPA VIC.

Concrete pours are currently underway at Moorabool North. All endeavours are being made to complete the pours prior to 6pm, however on occasion works will be completed after that time.
