## Landscape and Visual Screening Program

Owners of residential dwellings within 4km of the Moorabool Wind Farm are invited to participate in a landscape and visual screening program.

This is to assist those closest neighbours in reducing the potential visual impacts of the project. All agreed works are undertaken by Moorabool Wind Farm at no cost to dwelling owners.

Expressions of interest will be accepted until 12 months after commissioning of the last turbine at either Moorabool North or Moorabool South Wind Farm.

---

### Am I eligible?

To be eligible, a dwelling must be within 4km of a wind turbine at Moorabool wind farm and have views of at least one wind turbine within 4km.

You must be the owner of the property to be eligible for the program.

If eligible, with turbines visible within 4km of the dwelling, the screening program options will be offered to you.
