

COMMUNITY UPDATE

December 2021

Moorabool North Wind Farm

Progress to date

- Up to 75MW (27 turbines) operating

Look ahead

- AEMO Compliance (Hold Point) testing to continue – increased operations, in 2022

Moorabool South Wind Farm

Progress to date

- Pre-Commissioning of all Fifty-Four (54) turbines complete

Look ahead

- AEMO Compliance (Hold Point) testing to begin in 2022, leading to operations

Landscape and Visual Screening Program

Owners of residential dwellings within 4km of the Moorabool Wind Farm are invited to participate in a landscape and visual screening program.

This is to assist those closest neighbours in reducing the potential visual impacts of the project. All agreed works are undertaken by Moorabool Wind Farm at no cost to dwelling owners.

Public Road Resurfacing at Moorabool South Wind Farm

The resealing of sections of Mount Wallace Ballark Road and Bungeeltap South Road is nearing completion. Road closures and speed reductions will remain in place along sections of the roads until mid-December.

Moorabool Wind Farm Contact Details

The Moorabool wind farm Information Centre at 120 Inglis Street, Ballan is now closed permanently. The team at Moorabool are still available to respond to questions, queries, or complaints.
