

MOORABOOL Wind Farm

COMMUNITY UPDATE - May 2023

Landscape and Visual Screening Program

Owners of residential dwellings within 4km of the wind farm are invited to participate in a landscape and visual screening program, designed to reduce the potential visual impacts of the project for our closest neighbours. All agreed works are undertaken by Moorabool Wind Farm at no cost to dwelling owners.

The program is open until 30th June 2023 for Moorabool North and 30th Sept 2023 for Moorabool South. Please contact us if you have not previously participated and would like to register your interest.

Community Fund

As part of Round Four of the community fund we were pleased to fund 11 local initiatives and one scholarship. The next opportunity to apply for grant and scholarship funding will be mid-2023. Keep an eye out for details.

Ballan Golf Club purchased a new utility tractor with the support of Round 4 Community Fund.
